Day 2 Africa: *Nairobi or Arusha to Zanzibar – Stone Town & Spice Plantations*

After breakfast, looking out at the Indian Ocean, we take a walking tour of ancient Stone Town, a World Heritage Site renowned for its fabulously colourful marketplace.

After a languid lunch, we'll head out to a plantation where cinnamon, cardamom, and intense Arab coffees are grown.

And, of course, we'll see cloves—the gold of Zanzibar — perhaps the world's most desired spice.

Day 3 Africa: *Stone Town & Spice Plantations – Jozani Forest*

We head east across the island, through set-piece villages and lush island vegetation to enchanting Jozani Forest, home of the rare red colobus monkey and the unusual tree-dwelling hyrax.

Day 4 Africa: *Jozani Forest-*

Before heading outbound, we'll probably have a chance to do some last-minute shopping, perhaps for that fantastically carved teakwood chest that caught our eye, or a supply of intensely scented pomanders, reminders of a sojourn in what many insist is an earthly outpost of paradise.

The Residence

zanzibar

Each of the famed Residence's 66 villas offers views of either the ocean or an exuberant frangipani garden from every room—even from the tub. We start the day with a dip in our private pool and while away our afternoon on a dolphin safari, bicycling around the island, or lounging beneath a beach parasol.

We breathe spice-scented air,
luxuriate
in a lifestyle fit for a sultan, and drink

in the magical Zanzibari sunset.

End of Services.
