— TRANSFORMING DREAMS INTO MEMORIES —

On this tour we will bring you to well-known gardens such as the famous Japanese Gardens at the National Stud in Co Kildare and the gardens attached to Muckross House in Co Kerry, but also to lesser-known gardens around the country, some not generally open to the public.

And quite often these gardens are part of great country estates with houses of architectural significance such as Castletown House in Co Kildare, Farmleigh House in Dublin or Kylemore Abbey in Co Galway.

Or how about a visit to Garnish Island in Bantry Bay? Garnish's gardens are laid out in beautiful walks and it has some stunning specimen plants which are rare in this climate. **In your Creative Planning Session**, we will work with you to select inclusions and options that befit your desires and dates of travel with those of the Art, Architecture & Gardens in Ireland. We can incorporate wonderful tours around your experiences and visits with the Celebrities that will give you a complete immersion into Ireland's treasures with celebrated hosts.
