Discover the magic and mystery of the Dubai Desert Conservation Reserve at dusk on a half-day evening safari to watch the sun go down outside the city lights of Dubai. Since only a few tour operators have access to this serene desert reserve, you'll be able to enjoy the beautiful surroundings and admire the region's vibrant wildlife

in peace.

Following a pick-up from your hotel in the city center (between 2:30pm and 4:30pm), drive to a traditional Bedouin-style camp, crossing the sand dunes as the sun sets. Stop to take photos of the sunset colours and to watch a falconry show (weather permitting). Continue to the camp for a traditional welcome and typical desert activities.

See the desert from the back of a camel, try mini sand-boarding and get an ornate henna painting on your hands. Then, enjoy an Arabic style buffet dinner of grilled meats, meze, desserts and unlimited select drinks. Relax with a shisha pipe as you watch a belly-dance show under a canopy of stars. You will return to your hotel between 9:30pm and 10:00pm (depending on time of year, traffic and your hotel location).

### Day 7: Dubai A shopping Day Unlike Any Other

#### **Breakfast in the hotel.**

**After breakfast,** you will meet your private English-speaking driver & professional local guide in the lobby of your hotel for your tour.

Right next to the Burj Khalifa is The Dubai Mall. To call the sprawling development merely a shopping mall is doing it a

disservice.

Even an entire day spent here isn't enough to see it all.

Along with its 1,200-plus shops and 150 restaurants, the venue is home to an indoor theme park, an ice rink, a huge indoor waterfall, a choreographed outdoor fountain and the giant Dubai Aquarium and Underwater Zoo.

You can choose to have a private shopping experience with a guide and package service or you can select to go it on your own and explore at your leisure.

The Dubai Opera situated in the new "Opera District" in the heart of Dubai offers an enticing schedule which can be likened to that of London's West End or Manhattan's Broadway. With views of the Dubai Fountain and next to the Burj Khalifa, the building was inspired by the shape of Arabian Dhow ships and is sure to catch your eye.
