Welcome to Fiji's private Laucala Island. Laucala offers 25 luxurious residences scattered along the beach and hills, each with private butler, swimming pool, yoga platform and sea view. While there's plenty to do in paradise (diving, golf, fishing, horseback riding, spa and more), the most luxurious amenity comes in the form of perfect bliss. On this dreamy South Seas isle, guests think and want for nothing...

Set upon 3,500 exclusive acres Laucala private island resort is set amidst coconut plantations, sandy beaches, rich green mountains and breathtaking natural beauty. True luxury is appreciated in the privacy of the resort's villas widely spread on the northern tip of the island. Seamless transition from indoor to outdoor living creates an inspiringly relaxed yet luxurious atmosphere. Laucala shows its most ethereal side in an iridescent kaleidoscope of sporting and cultural activities. Diving in a unique underwater world, rain forest tours, horseback riding, surfing, golfing on the 18-hole championship course, or meeting native artists. Whether you choose to dine in your villa or to visit one of Laucala's five restaurants and bars, you enjoy dishes based on the freshest produce.

The resort prides itself on an integral philosophy, incorporating elements of the entire island into each guest's experience, and offering products and ingredients raised and grown on the island.
