The charming Old Town also provides some of the best shopping in Switzerland. Thanks to nearly four miles of Arcades, it boasts one of the longest covered shopping promenades in Europe.

This outdoor, weather-protected stretch of shopping is lined on both sides by the Arcades, which are admirably suited for a jaunty stroll among the historic scenery of the city.

The shopping has everything you are looking for -- be its stylish boutiques, exquisite local specialties, traditional markets, simple second-hand shops for watches, jewelry, souvenirs, gifts, fashion,

accessories or delicacies -- here you will find trendy as well as tradition-rich shops.

Dinner this evening will be in the historic Kornhauskeller, one of the most unique restaurants in all of Switzerland.

Originally, its three upper floors were used as a granary, while the great space on the ground floor served as a market hall on market day and the cellar housed barrels filled with wines.
